God wants us to spend eternity in heaven with him.

The Bible says "for all have sinned and come short of the glory of God" and "For the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord". The Bible also reads, "For whosoever shall call upon the name of the Lord shall be saved." This means you and me!

How this came about:

My name is Bob, and several months ago when I was on a family visit in Louisville, KY, I came across an awesome soul winning script that I would love to share with you. My 10 year old grandson and I decided to hit the streets and try it out, and we were amazed at how easy it was to win the lost to the Lord Jesus through simply reading the script to whoever the Lord put in our path. In 3 short hours, my grandson and I led 18 people to the Lord, and we found out later that one of the local churches led over 12,000 through the sinner's prayer in 4 days.

Two weeks later, a lady from Nashville, came and shared, she said to me the lord said, many people would be saved and he will send you help, receive that help, about three weeks later, I saw a friend I hadn't seen in 10 years I shared, he said I'll make 25 000 he wanted to be part of this, he's made over 700 000, this has to be God, thank God for him and his wife.

I feel the Lord has commissioned me to make this soul winning script available to others and to encourage them to go out and win the lost for the Lord.

The same lady came back a month later and said, The Lord said make your nets bigger, the harvest will be huge, bigger then you can think.

So I was impressed of the Lord to use every available tool that is at my disposal for reaching the lost for the kingdom, I fell that the Internet is one of those tools that have been made available to all of us that desire to win the lost for Him, God said that his word would not return void, so let's get busy spreading his word.

A few mo. later a lady gave us a nice size donation, she said God laid it on her heart, we've never ask for donation. We just want souls and Jesus wants souls. Thank God for her and God bless her.

Let us pray that God will enlighten their hearts, minds and give them revelation knowledge of who Jesus is.

The Lord said that the harvest is ripe but the laborers are few, so I ask you to join me along with thousands of others to be laborers in the harvest fields, for we were born for, chosen for, handpicked for such a time as this. As believers this is our greatest hour, this is our hour to shine and drown out the darkness that has held the world captive.

Just take a moment and think about how important it is to those who invite the Lord into their heart, and their family. Because you took the time to share the good news with them.

Jesus said, "I am the vine and ye are the branches, so bear much fruit." Life on earth will soon be passed only what is done for Christ will last. What if you gain the whole world, but lose your soul. Every man will be rewarded according to his works.

Jesus said, "I am the way, the truth and the life, no one comes to the father but by me."  
Jesus also said You must be born again.

If everyone would forward this email the harvest would be huge, even bigger than you could imagine.

My twin brother Bob gave me a tape about Christ's return. I was holding my baby when great fear filled my entire being. Thinking if Christ returned this very instant i would be eternally separated from my children, never to see them again. I prayed for forgiveness that very second. Bill...**now my question for you is, "would you go with your children?"**

An 80 year old lady being in church for many years had never won anyone to Christ. She got some sole winning materials and help then won 78 people to the Lord in 4 days.

**Mordecai Ham** From Bowling Green, Kentucky won Billy Graham to The Lord  
You could win the next Billy Graham.

People in the pew very rarely lead anyone to Jesus.

A church had about 300 for about 8 years after training and help, a short time later they had over 600 people.
